ACTIVE GLASS AND MIRROR CLEANER

PACKAGING 1L / 5L

Glass and smooth surface cleaner.

It contains carefully selected surfactants and solvents with excellent solvating properties, which reduce surface tension so that the liquid easily removes stubborn smudges, fingerprints, and insect marks. It leaves a fresh fragrance and perfectly shiny surfaces where dust will not settle anymore.

ADVANTAGES PROFESSIONAL CARE

- excellent for cleaning all surfaces;
- leaves a soft film that reduce dust in your space;
- evaporates quickly, no excessive force required;
- use without protective glass;
- leaves no streaks or runs.

ACTIVE KITCHEN FOAM

PACKAGING 1L / 5L

Professional and efficient liquid for cleaning and maintenance of floor surfaces and water-resistant floors.

Quickly and effectively removes stains typical to floors. It does not leave streaks, dries quickly, and gives shine. It contains a solvent, making it significantly easier to remove dirt.

ADVANTAGES REMOVES GREASE AND DIRT

- leaves a soft film that reduce dust in your space;
- use without protective glass;
- it is excellent for cleaning all kitchen surfaces (worktops, fronts, induction hobs, hoods, windowsills, doors, lamps, etc.);
- it does not leave streaks.

MANUAL DISHWASHING LIQUID

PACKAGING 1L / 5L

The product is intended to wash manual all kinds of dishes and other kitchen utensils.

It removes grease and protein contamination of food origin. It does not leave streaks or stains and does not damage the washed surfaces. The amount and type of surfactants used makes the product highly concentrated and therefore very efficient.

ADVANTAGES

EFFECTIVELY REMOVES GREASE!

- It has degreasing properties;
- contains 15-30% anionic surfactants (liquids of leading brands have only 5-15 %, while the cheapest only 5 % of cleaning agents!);
- the composition with phosphate makes it effective in lukewarm and even cold water;
- very efficient, just a drop is enough!

CREAMY HAND SOAP

PACKAGING 500 ML, 5 L

Special, creamy liquid soap, with a neutral pH for the skin, intended for daily use, washing hands as well as the entire body.

Its formula is based on mild cleansing agents that prevent excessive drying of the skin. It leaves a delicate protective layer on your hands and has a pleasant fragrance.

ADVANTAGES

MOISTURISES AND NOURISHES!

- contains skin-smoothing emollients; moisturises skin;
- excellent for washing the whole body; can be used as a body and hair gel.

ACTIVE BATHROOM FOAM

PACKAGING 1L / 5L

Multifunctional foam for bathroom cleaning and care. Perfectly removes dirt.

The active ingredients excellently deal with soap deposits, water spots, greasy stains and other impurities, filling the bathroom with a fresh citrus fragrance. It does not leave streaks and keeps dirt out of the bathroom.

ADVANTAGES
EFFECTIVELY REMOVES LIMESCALE!

- without aggressive acids, safe for the skin;
- perfectly removes cleaning residues - water residue, soap scum;
- for use on bathroom fittings (wash basins, bidets, bathtubs, shower cabins) and faucets;
- easy cleaning – simply spray the surface and use a soft sponge or cloth, no scrubbing!

ACTIVE TOILET CLEANER

PACKAGING 1L / 5L

Acid cleaner for toilet bowls.

It contains detergents and organic acids that effectively remove limescale deposits, rust stains, and dirt, without damaging the ceramic surface and fittings. The product leaves the surface hygienic clean and a pleasant, fresh fragrance. The product contains citric acid.

ADVANTAGES
LONG-LASTING HYGIENE!

- effectively removes bacteria and germs;
- it contains detergents that effectively remove dirt;
- prevents future dirt.

ACTIVE FLOOR CLEANER

PACKAGING 1L / 5L

Professional and efficient liquid for cleaning and maintenance of floor surfaces and water-resistant floors.

Quickly and effectively removes stains typical to floors. It does not leave streaks, dries quickly, and gives shine. It contains a solvent, making it significantly easier to remove dirt.

ADVANTAGES
CLEANS AND REMOVES GREASE!

- for cleaning all types of floors: tiles, wood, linoleum, etc.;
- it does not leave streaks; excellent for cleaning wood panelling, decorative panels and soffits;
- very efficient – maximum 30 ml (2 caps) per 10 litres of water - one litre bottle is sufficient to prepare up to 33 portions of solution. One wash is only 3% of the price of a one-litre bottle!

ACTIVE GRILL FOAM

PACKAGING 1 L

Highly alkaline agent for intensive cleaning of grills. Effectively removes burnt-on grease and grill residues.

It contains potassium hydroxide, which is less destructive than sodium hydroxide, same as the liquid form is more effective than any powder. The liquid is intended for stainless steel and cast-iron surfaces.

ADVANTAGES
VERY EFFECTIVE

- removes burnt-on grease;
- removes grill residues;
- for stainless steel and cast-iron surfaces.

ACTIVE GROUT CLEANER

PACKAGING 1 L

This product perfectly cleans greasy and stubborn dirt from surfaces resistant to alkali and solvents.

It removes dirt, grease stains, lime deposits from grout and joints between floor and wall tiles. Also removes soot, soap scum and mineral deposits from all surfaces.

ADVANTAGES PERFECTLY CLEAN

- dissolves dirt deposited in grout;
- cleans soot, soap scum and mineral deposits from all surfaces;
- great for additional cleaning – removes residues of other agents;
- suitable for rough surfaces;
- excellent for cleaning external surfaces, e.g., terraces, balconies.

LCD SCREEN CLEANER

PACKAGING 500 ML

Liquid intended for cleaning computer monitors, TV sets, LCD screens, tablets.

It easily removes dirt, dust, fingerprints, and greasy stains. The product has antistatic properties and does not leave streaks and runs.

ADVANTAGES WITHOUT STRAKS!

- excellent for cleaning all surfaces;
- leaves a soft film that reduce dust in your space;
- evaporates quickly, no excessive force required;
- use without protective glass;
- leaves no streaks or runs.

LIQUID DESCALER FOR HOUSEHOLD APPLIANCES

PACKAGING 200 ML

Concentrated, professional agent based on ammonium and methane sulphonic acids, designed for removing mineral deposits.

In the case of hard water, it ensures that the maximum efficiency of machines and equipment is maintained for a long time. Odour-free and dye-free, absolutely safe for food products. Removes water, milk and beer scale from all surfaces (glass, ceramic, polyethylene, polypropylene, Teflon, enamel).

ADVANTAGES
COMPLETELY SAFE

- odour-free, does not contain acids: hydrochloric, phosphoric (very corrosive acids harmful for appliances), as well as nitric, sulfuric acid;
- „cold process“ of removing scale, without heating the appliance (no need to boil the water to rinse out the descaler residues!);
- One rinse with water is sufficient after the descaling process; can be used without gloves – does not cause burns.

FOAMING SYSTEM CLEANER

PACKAGING 200 ML

Professional agent for cleaning milk frother in coffee machines.

When used regularly, it effectively dissolves the remains of dried milk, milk sediments, and bacteria contained therein. It keeps the milk aeration nozzle clean and guarantees that the milk frothing system works properly. The product is ideal for espresso machines with the Cappuccinatore system. The product does not affect the quality and taste of the coffee served.

ADVANTAGES
MAINTAINS CLEANLINESS

- effectively removes dried milk and milk residue;
- cleans the milk frother in coffee machines.

ACTIVE FURNITURE CLEANER

PACKAGING 1 L

The product easily removes dirt from the furniture, as well as protects it from various micro-damages.

Its exclusive formula prevents the rapid re-deposition of dust and dirt and leaves the cleaned surfaces shine and fresh. Due to its effectiveness and pleasant fragrance, cleaning furniture is a pure pleasure.

ADVANTAGES RESTORES SHINE

- effectively removes fingerprints and dust;
- removes greasy residues;
- removes all dirt.

STICKER REMOVER

PACKAGING 500 ML

Sticker remover is a multi-purpose liquid intended for removing residues of any types of labels, stickers, rubber and adhesive residues from various surfaces.

Simply spray the surface with the product, leave it for a while, allow the sticker to absorb the liquid, and carefully, starting from the edge, remove the sticker. Remove the remaining adhesive with a cloth moistened with the agent and wipe the surface with water.

ADVANTAGES LEAVES NO RESIDUE

- universal sticker remover;
- easy to use.

STAIN CLEANER

PACKAGING 1 L

The product perfectly cleans greasy and stubborn dirt from surfaces resistant to alkali.

It removes petroleum-derived dirt, grease and oil from industrial floors, factory halls, workshops, warehouses and paving slabs. It removes soot, soap scum and mineral deposits from all surfaces. Suitable for cleaning machines and engines.

ADVANTAGES
EFFECTIVELY REMOVES GREASE

**Nexxt**
PROFESSIONAL
